What better way to beat the winter blues, than to bring a little “spring” into your style! **Posh Beauty Blog** sourced Top Manhattan Fashion Stylist **Kirsten Angeli** who provides the following tips to help us get ready for **spring**. Here are 3 ways to add spring touches to your wardrobe straight from **Kirsten Angeli**.

Spring Florals

There's something for everyone this Spring. Whether you're sensible, cute, sexy or like to sport an attitude, spring has it all! Blooming florals are everywhere, from flirty floral dresses, sweet street floral biker jackets, floral lycra to floral sport chic. Pick up one of those to-die-for skirts

from [Christopher Kane](#) or go head to toe floral with Matthew Williamson for Topshop. “Waking up to these blooming florals can light up even the most seasonably depressed!!” says Kirsten.

If that doesn't make you happy, it's now chic to bring your cross trainers to your next formal event. Tread carefully and choose a sneaker with style that brings another dimension to the dress. Choose a dress with lycra ribbing that hugs all the right places, turn up the heat with a bold color and floral sneaker to match.

Tangerine

Once spring rolls around get ready for the extra-sensory experience. A must this year is **tangerine**, everything: tangerine lips, tangerine coats, jackets, tops, dresses and accessories!

Accessorize Your White and Black

If color is not your thing, choose the **perfect white top** to match your **black pants** and a black top to match your white pants. Texturize the look with bold tribal jewelry in black and white lacquer. Take a stand; Doesn't matter where, just get out there. Spring 2014 offers plenty of options to help you make the perfect statement. Kirsten says, “Get graphic and add these **Chanel** bangles. A little over the top, use them as a statement to your favorite black on black or all over white look.”
