---

A Denton Laundromat is the first in the area to offer pick-up and delivery service through a free smartphone app.

Wash It Kwik at 1825 W. University Drive now offers an app through the Apple App Store or Google Play that allows customers to request laundry service on their smartphone.

Customers can also place orders online. Pick-up and delivery is free, and laundry charges start at \$1.39 a pound.

“Doing laundry is a time consuming, never ending problem,” Wash It Kwik owner Bruce Walker said in a press release. “Our new online service gets laundry picked up and cleaned to customer specifications and returned within 24 to 48 hours, without people leaving the comfort of their home.”

The laundry center serves all of Denton County, according to Wash It Kwik’s website.

The app and online system run on software from WashClub, a New York-based tech company that specializes in laundry and dry cleaning delivery.
